

Maidstone United Football Club - SPONSOR A GOAL 2011 – 2012

Many of you will know Sponsor a Goal that was run by a few seasons ago.

For those of you unaware, the idea is very simple. Fans agree to pledge a sum of money for either each goal scored by their chosen player, for each goal scored by the team, for each clean sheet or for penalties scored.

At the end of each month all participants will be encouraged to pay the sums owed and the money raised will go to the BTSH.

As an added incentive, all supporters who donate funds, no matter how much or how little, will have the opportunity of winning a signed photo of themselves and their chosen player.

Just fill in the application form below to join and updates will be sent by email on a monthly basis.

Please feel free to pledge as much or as little as you feel you can afford then watch your chosen star tuck the ball in the back of the net week after week.
